

TORT CLAIMS

Tort claims may be filed for property damage or personal injury caused by the negligence of a federal employee acting within the scope of his or her employment, or for damage arising out of non-combat activities.

Examples: Motor vehicle accidents caused by a government driver
 Slip & fall on federal property

Claims may be presented by anyone and must be filed within two years of the date of incident.

Contact the Litigation & Claims Office for further information: 831/242-6396.
